Looking for the perfect spot for your small business? This 952 sq ft. unit is beautifully designed & completely turn key. It sits right in the heart of the Junction Point complexes where you are surrounded by a wide array of businesses that include Medical Clinics, Spas & much more. The space is located on the second floor & is accessible by stairs or elevator. As you enter there is a reception/ waiting room. Down the central hallway, there is a bathroom, staff room with kitchenette, 2 offices & a large open room that can be utilized any way that suits your business needs whether it be a boardroom, open concept office cubicles, storage... you decide. Junction Point is in a fantastic location; high traffic, high visibility & central to anywhere within City limits. Call or text for details!
