NEW PRICE=NEW OPPORTUNITY!!! 2554sq.ft. of fully developed Second-Floor office Space in Railtown offering High Exposure Location. A fantastic opportunity to acquire a turn-key office space that is available for quick occupancy if needed. This unit features up to 7+ private offices, boardroom, large open work area, reception area + two bathrooms. All areas offer large windows, high ceilings, and great exposure off Resources Road, a high-traffic area that offers excellent visibility for your business. The complex offers good parking & signage options and the price point is well below replacement value. The space could be combined with adjoining units to create a larger footprint of close to 5000sq.ft. Don't miss out on this versatile space in a sought-after commercial area!
