Here is a hidden gem, a great spot to park your RV and maybe built a home later (4.91 Acres). There are two lots for sale in this area which as of date is undeveloped. There are four lots here on a no exit road. So lots of privacy and nothing but unobstructed views of a valley with great sun sets. These lots have a gentle slope, but at the base of the lot there is plenty of room to put a few RV's and use it recreationally for now. Look around, this price is really really good! Gas at the property line, power is close, just across the road.
