Gorgeous 4 bedroom bungalow situated close to the sheep river escarpment on a quiet cul de sac with a heated workshop. Rarely do homes come on the market that have an awesome 20ft x 14ft heated shop, as well as an attached double car garage! This great bungalow has a fabulous front porch - perfect for relaxing in the shade! Step inside this beautifully presented home and you will be welcomed with gleaming hardwood floors. The spacious living/dining benefits from a lovely bay window overlooking the front yard and a gorgeous fireplace. The bright and airy kitchen has a large island, stainless steel appliances, new dishwasher and white cabinets. There is also a great family room that overlooks the south facing backyard. On the main floor there are 2 good sized bedrooms, the master features dual closets and a 3 piece ensuite with large vanity and shower. Completing this level is a 4 piece family bathroom and a laundry. The fully finished basement has a massive family/games room. There are 2 more good sized bedrooms in the basement and a 4 piece ensuite with a linen closet. There is also a large storage room with built in shelving. Did I mention the water softener and central vac? In the south facing backyard is a greenhouse and a drip irrigation system on a timer. The fabulous 20ft x 14ft heated workshop has a wood floor, an air compressor and a workbench - perfect for the woodworker or DIY enthusiast! This home is located just a few steps from the walking path system and has a lovely double attached garage too! Don't miss out on this lovely home! View 3D/Multi media/Virtual Tour!
