Get ready to build this summer at COPPER RIDGE ESTATES. Available for immediate possession is Lot 6 - a 1.49 acre, NEWLY CLEARED lot, that is tucked in towards the back of the subdivision. Copper Ridge is located a short 5 minute drive south of Athabasca with pavement to the entrance of the subdivision. Located on the edge of the Tawatinaw Valley, the subdivision offers a nice range of rolling topography. There are no timelines to build, so you have many choices. Build now, build later or just hold on to the property as an investment.
