Tranquil Country Living on 4.70 Acres – Perfect for Hobbyists or Nature Lovers! Discover peaceful, modest living in this well-maintained 2-bedroom, 2-bathroom mobile home nestled in the heart of nature. Surrounded by serene forest views and set on a spacious 4.70-acre lot, this property offers privacy, comfort, and space to pursue your passions—indoors and out. The home features an open-concept layout with a bright and airy living room, dining area, and kitchen that flow seamlessly together under vaulted ceilings, recently painted for a fresh look. Beautiful hardwood flooring extends throughout the home, complemented by large windows that flood the space with natural light. The kitchen is a standout, offering ample oak cabinetry, generous counter space, a gas stove, stainless steel appliances, and abundant storage—ideal for everyday living or entertaining. The spacious primary bedroom is a true retreat, offering room for a full furniture set, generous closet space, and a private 4-piece ensuite for your comfort and convenience. Step through the dining room onto a spacious deck, perfect for BBQs, relaxing, or enjoying the peaceful forest backdrop. A wood-burning stove adds warmth and charm in cooler months, while a wall A/C unit keeps things comfortable in the summer. One of the two bedrooms is currently set up as a cozy sitting room, but can easily be converted back to a bedroom if needed. You'll love the convenience of the attached heated garage, and the true gem of the property: a massive 40x46 heated shop, ideal for a tradesperson, car enthusiast, or hobbyist in need of serious workspace. Lots of out buildings for mixed use. This property is showcasing true pride of ownership. Outside, enjoy a fire pit area, plenty of room for outdoor activities, and extensive exterior storage for all your tools, toys, or seasonal items. Whether you're

looking to escape the city, start a hobby farm, or simply enjoy the great outdoors, this property offers a rare combination of function, beauty, and tranquility.
