3409 Doverthorn just underwent a major \$70,000 renovation and sets up perfectly for the savvy first time buyer or investor to suite the lower level (subject to approval/permitting from the City of Calgary) and live in the bright/spacious upper, or a young family to occupy the entire property. This lot is extra wide at 33 feet and enjoys a sunny south yard. Over the last few months, the owner has re-done the kitchen with brand new appliances, lighting, sink, plumbing, and countertops. The main level features 2 big bedrooms + den, wide plank flooring, fireplace, formal living/dining spaces, and picture windows. The lower level has a brand new 3-piece bath, more wide plank floors, a big laundry room with BRAND NEW washer/dryer, bedroom, storage, and flex room that can easily be converted to a second bedroom. Infrastructure upgrades include a NEW ROOF about 3 years ago, sections of new wiring/plumbing, and select NEW windows or glass replacement. This location is quiet and close to parks/playgrounds/transit.
