Rare opportunity to acquire a profitable Centex gas station business (property not included) in a well-established commercial/industrial corridor of northeast Calgary. Ideally located, this turn-key operation offers excellent exposure, easy access to Deerfoot Trail and 32 Ave NE, and strong surrounding commercial traffic. The business includes gasoline (regular, premium, mid grade), diesel, propane, and a high-margin convenience store, which was renovated in 2022. Above-ground tanks and propane service were also added in 2022, expanding fuel offerings and operational efficiency. An Air Serve station and vacuum are also on-site, providing additional revenue streams. The current base rent is only \$3,000/month, which is exceptionally low for a gas station in Calgary. Even when factoring in property taxes and utilities, the total gross lease monthly remains under \$6,000. The lease has approximately 6 years remaining, with two additional 5-year renewal options, offering long-term operational stability and excellent value. Great potential in a high-demand area with a reliable brand and solid local customer base.
