Built in 2006, this spacious 4-bedroom, 3-bathroom modified bi-level with bonus room on top of the garage has been thoughtfully maintained and tastefully upgraded over the years. From the moment you step onto the freshly stained front deck into the large, tiled entryway with a huge walk-in closet, you will appreciate the warm and welcoming atmosphere. The front foyer features a handy coat closet, access to the 22 x 23, drywalled and insulated garage with double doors, and leads you up into the heart of the home. The main floor is open and airy with a mix of rich wood, tile, and soft carpet flooring. The layout was designed for both everyday living and entertaining. This kitchen is as beautiful - perfect to create your family meals. The adjoining dining area is bright with natural light from large windows and is perfect for hosting family dinners or casual get-togethers with a door to the large upper deck. Also on the main level are two good-sized 2 bedrooms and a full bathroom, ideal for kids, guests, or home office space. Just a few steps up and tucked away above the garage is the spacious primary bedroom retreat. This private sanctuary includes a walk-in closet and a luxurious four-piece ensuite, offering the perfect spot to unwind at the end of the day. Additional lighting and fan were added - but not to worry there is AC here! The fully finished basement is just as impressive,

with bright windows that let in plenty of natural light. It features a large family room and games area, an additional 4th bedroom, a 3pc bathroom, and the comfort of in-floor heat throughout. There is an elegant wet bar here for those extras to hide and guests to entertain! Check out the walk-out access to the lower, covered patio, providing a shaded area perfect for relaxing during warm summer afternoons. The backyard is a true hidden gem. Enjoy summer evenings on the large upper deck, complete with space for a BBQ and patio furniture. There's RV parking along the side, a handy shed tucked into the corner, and low-maintenance landscaping that allows you to spend more time enjoying and less time working. Decorative stone walkways will impress you. Dog run is situated on the north wall.
