Welcome to 210 Cranberry Place SE, a charming and updated home in the heart of Cranston — just steps from parks, schools, shopping, public transit, and the community center. This well-maintained property offers great curb appeal and a sunny, south-facing backyard complete with a large L-shaped deck, a spacious shed, and a insulated double detached garage for added convenience. Inside, you'll find a bright, open-concept main floor with a front flex room that’s perfect for a home office or quiet reading space. The kitchen is well laid out with a center island and eat-up bar, a pantry, and all appliances have been replaced within the past year. The living and dining areas flow nicely together, and a 2-piece bathroom completes the main level. Upstairs offers a generous primary suite with a walk-in closet and full 4-piece ensuite, plus two additional bedrooms connected by a Jack & Jill bathroom. The laundry is conveniently located on this level as well. The developed basement includes two additional rooms that could function as bedrooms (note: no closets), a rec space, and a dedicated dog grooming room equipped with two grooming stations and a washing machine — all of which can be included in the sale or removed at the buyer’s request. This is an excellent opportunity to own a move-in ready home in one of Calgary’s most family-friendly communities. Book your showing today!
