TREE LINE! ALL 3 SECOND LEVEL BEDROOMS HAVE THEIR OWN EN SUITE BATHROOM! 1 BEDROOM WALK OUT LEGAL SUITE! Welcome to 404 Killdeer Way – a beautifully designed home offering nearly 2,500 sq/ft of living space and backing onto a stunning tree-lined green space with walking trails. From the moment you walk in, you're greeted by a spacious entryway that flows into an open-concept main floor featuring a chef's kitchen with granite countertops, an eat-up bar, stainless steel appliances, a corner pantry, and ample cabinet space. The kitchen overlooks a cozy living room with a gas fireplace and a large dining area, all of which open onto a massive upper back deck that has a gas line for bbq, and offers tranquil views of the trees and greenery. Also on the main floor is a 2-piece bathroom and a functional laundry room with sink. Upstairs, you'll find a massive bonus room with a second gas fireplace and three generously sized bedrooms, each complete with its own private en suite bathroom. The primary suite offers beautiful views of the tree line, a walk-in closet, and a luxurious 5-piece en suite featuring a jetted tub. The fully developed walkout basement includes a large, one-bedroom legal suite with high-end finishes that match the upper level, ideal for rental income or extended family. Additional highlights include a heated double attached garage, central air conditioning, and a prime location close to all amenities and within walking distance to elementary schools. This home truly has it all – space, style, and a peaceful setting. Don't miss your chance to view it; call today for your personal showing!
