Its exceptional location places you just steps from one of Calgary's greatest natural treasures — Fish Creek Park. The main level features a bright living room, dining area, and a beautifully renovated kitchen with granite countertops, stainless steel appliances, a gas cooktop, dual electric ovens, and tile flooring. The renovation also included a new kitchen window, updated lighting, and new cabinetry with slide-out shelves. The rest of the home combines carpet and linoleum flooring, offering both comfort and durability. Upstairs are three bedrooms, including a primary suite with a three-piece ensuite, along with a full four-piece bathroom. The lower level offers two more bedrooms, another full bathroom, and a cozy family room, while the basement includes a large recreation room, utility space, and extra storage. Over the years, the owners have enhanced the property with updated roof shingles, a brick walkway and rock wall in 2015, and a Lennox hot water tank. The yard has been lovingly maintained, with rose bushes, a rock-edged deck, and a space for a vegetable garden. Living here, you'll have direct access to the endless pathways of Fish Creek Park, where miles of walking and biking trails wind through forests, meadows, and along the river. Whether you're enjoying a quiet stroll, an early morning jog, or a family bike ride, the park offers an unmatched connection to nature right outside your door. Lake Sikome, playgrounds, tennis courts, schools, shopping, and the Deer Run Community Centre are all nearby, creating a perfect

balance of recreation, convenience, and community. With its functional layout, comfortable finishes, and an unbeatable location surrounded by some of Calgary’s most cherished green spaces, 36 Deerbow Circle SE is ready to welcome you home.
