Looking for an affordable home near the lake with potential to make it your own? This 3-bedroom, 2-bathroom mobile sits on a rented lot in the heart of Sylvan Lake — just a short walk to the water, schools, and shopping. It's a great opportunity for someone ready to roll up their sleeves and add some personal touches. Inside, you'll find an open-concept layout with a generous-sized kitchen featuring a central island and a spacious living room. Two bedrooms and a full 4-piece bath are located at the front of the home, while the primary bedroom is privately situated at the back and includes an ensuite with a jetted tub. There's a dedicated laundry area with extra space for a freezer or added storage. Step outside to a covered deck — a great spot to relax — and a fenced yard that's ideal for pets or kids. While the home does need some updates, it offers solid space and functionality in a desirable location. If you're looking for an affordable property close to Sylvan Lake's best amenities, this could be the project you've been waiting for.
