Welcome to Albert Park Station - where comfort meets convenience in this bright and beautifully positioned corner unit. Nestled on the quiet south end of the building, this thoughtfully laid-out home offers a sense of space, privacy, and light that's hard to find at this price point. As you step inside, you're welcomed by a generous foyer with enough room for a small office or reading nook—setting the tone for a home that values both function and flow. The kitchen is finished with timeless granite counters and stainless steel appliances, with a raised breakfast bar that opens into a spacious dining and living area - perfect for everything from quiet mornings to entertaining friends. But what truly sets this home apart is the large, sun-soaked patio - tucked into the corner for added privacy, yet open enough to soak in that golden southern light. Whether you're sipping coffee in the morning or enjoying a glass of wine in the evening, this is your outdoor sanctuary. The two bedrooms are thoughtfully separated for added privacy, with the primary suite featuring a walk-in closet and private ensuite. The second bedroom is equally bright, ideal for guests or a roommate. Additional features include in-suite laundry, titled heated underground parking, and a secure building with fob access and cameras for peace of mind. The common areas are currently undergoing a transformation — so you will be proud to welcome guests into a stylish, contemporary building. Pet-friendly (up to 15kg), close to transit, parks, shops, and only a 7-minute commute to downtown—this home offers incredible value in one of Calgary's most accessible locations. This isn't just another condo. It's the space you've been waiting for.
