Welcome to 9626 Hillcrest Drive, a prime vacant infill lot in the well-established Hillside neighborhood of Grande Prairie. This 738.8 m<sup>2</sup>; (approx. 7,950 sq ft) lot is zoned RG (Residential General), making it an excellent opportunity for building a duplex or legal up/down suite. Situated in a mature area experiencing steady redevelopment, this spacious lot offers the flexibility to design a functional and profitable income property. With rear alley access, there's room to accommodate off-street parking or detached garages — ideal for maximizing rental value and curb appeal.
