Discover this beautifully renovated 2-bedroom, 2-bathroom plus den unit, offering an impressive 1,160 square feet of living space and secure underground parking in the sought-after and established neighborhood of Kingsland. Key features include luxury vinyl plank flooring throughout, full-height raised-panel kitchen cabinetry, granite countertops, a stylish subway tile backsplash, stainless steel appliances, and a breakfast bar. There is ample space for a dining room table, making it perfect for entertaining, and it flows seamlessly into the bright and spacious living room, which is enhanced by a corner gas fireplace. Both the common 3-piece bathroom and the private 4-piece ensuite have been tastefully renovated, featuring decorative tile tub surrounds, quartz countertops and elegant vessel sinks. The generously sized bedrooms offer plenty of closet space. Additionally, this unit includes a den that is ideal for a home office, a large laundry room with ample storage, and a storage locker in the heated parkade. The well-constructed and well-managed building boasts amenities such as a social room, indoor car wash, and bike storage. Conveniently located near the Heritage LRT, a variety of shops and restaurants along Macleod Trail, Chinook Mall, parks, playgrounds, and more. Schedule your viewing today!
