The Yamnuska plan is designed to maximize natural light with brighter windows, shorter hallways, and an open-concept main floor. The layout features a welcoming foyer that flows into the great room, a spacious kitchen with large pantry, stainless steel chimney hood fan, and built-in microwave in the island — ideal for entertaining. Upstairs, enjoy a conveniently located laundry room near the bedrooms and main bath. The primary bedroom includes a walk-in closet and ensuite with dual sinks and a glass-enclosed shower. A separate side entrance and 9' foundation offer flexibility for potential future basement development. This home also includes 8 solar panels. Estimated possession: August 2025. Photos and virtual tour are representative only.
