Opportunity to acquire a 10% ownership interest in a Calgary-based medical clinic. As per sellers instruction, this offering is intended for physicians who are fully licensed to practice in Alberta and are prepared to provide medical services on-site as part of their ownership commitment. This is a suitable arrangement for doctors seeking to participate in clinic operations and ownership without the need to independently establish a new practice. As per the seller's instructions, details will only be shared upon execution of a Non-Disclosure Agreement (NDA). Please do not approach staff or visit the clinic without prior written consent. Thank you!
