Watch the 3D and virtual Tour Freshly painted and beautifully maintained, this energy-efficient family home offers over 2,723 sq ft of developed living space in one of Calgary's most sought-after communities—just steps from the Bow River, Fish Creek Park, schools, playgrounds, and sports fields. Enjoy near-zero electricity bills with a 4.92 kW solar panel system that produces up to 6,700 kWh annually, along with a new water softener providing clean, softened water throughout the home. Inside, you're welcomed by soaring ceilings, engineered hardwood flooring, a formal living and dining area, and custom LED pot lights with adjustable colour settings to match any mood. The chef-inspired kitchen, renovated in 2015 with over \$70K in upgrades, features modern grey cabinetry, Silestone countertops, subway tile backsplash, undercabinet lighting, high-end stainless steel appliances including a gas range with electric double oven, a beverage fridge, and a spacious island with ample storage. The bright breakfast nook opens to a sunny west-facing backyard with a deck—perfect for summer BBQs. The cozy family room features a stone-faced fireplace and custom-built-in cabinets, creating a warm and inviting space, while a practical mudroom/laundry area and half-bath complete the main floor. Upstairs, the property offers three spacious bedrooms, including a large primary suite with a 4-piece en-suite bathroom and a walk-in closet, as well as a shared full bathroom. The fully finished basement features a large recreation room with a dry bar and a beverage fridge, a second fireplace, a fourth bedroom, a full bathroom, and a workshop area with built-in cabinetry and sink. With thoughtful updates throughout and pride of ownership evident, this exceptional home is a rare opportunity. Call your Real Estate Agent today to book a private viewing.
