This six-bedroom, 1955 sq. ft. home in the heart of Vulcan offers both spacious living and excellent income potential. The main level includes three bedrooms and two bathrooms, featuring a primary suite with a walk-in tub, automatic toilet, and large walk-in closet. Recent updates add comfort and peace of mind, including new basement windows, remote-controlled blinds, hot water on demand, a newer hot water heater, new basins in main bathroom, and upgraded kitchen appliances. The basement is fully developed with two legal suites: one two-bedroom unit with a full kitchen (refrigerator, stove, dishwasher) and one one-bedroom unit with a refrigerator and stove. Both suites share a common laundry area and have a separate entrance with access to the paved rear parking area. All appliances are included in "as is" condition. This home is well-suited for rental income or multi-generational living. Additional features include two fireplaces, a detached double-car garage, and attractive rock and stucco siding. Conveniently located within two blocks of the post office, grocery store, and church, this property blends comfort, functionality, and investment opportunity. Note - the listing agent is related to the sellers.
