This incredible 38,513 square foot steel framed and concrete block fabrication shop is situated on two titled lots totaling 5.82 acres. With a footprint of 31,224 square feet on the main floor, the building offers 26,920 SF of shop, storage and mechanical space, a ceiling height of 32' in the main warehouse, with four 5 ton cranes scattered throughout and 4,304 SF of immaculate office space. In addition to the main floor there is 7,289 SF of second floor office, board room and a training room area which ensures this property provides the space that any large operation would need. The auxiliary building is a functional 3,540 SF pole frame storage building tucked into the west portion of the graveled and fenced yard. This is a must see for any company entering or expanding their operations in the Grande Prairie area. Call the listing Realtor© for more information or to book a showing today.
