Fully equipped, turn-key asphalt mixing and gravel business for sale. Situated on 24.39 acres just outside of Fort Macleod in an ideal location. Improvements include a 30x60 heated shop with concrete floor, 60x12 office trailer which serves as office, Q/C lab and scale house (a/c & bathroom), 100x12 Pacific 3 piece truck scale. Equipment included is a gravel crushing spread, asphalt plant and 2 wheel loaders. Excellent opportunity for somebody to get into the business or for an existing construction company to integrate their operations.
