Conveniently, the washer and dryer are also located on the main level. A separate entrance leads to the finished basement, which offers a cozy family room, a versatile flex space (perfect for an office or gym) and a spacious fourth bedroom with direct access to a full 3-piece bathroom, which is also accessible from the family room. Step outside to the large backyard, complete with a charming covered deck, mature landscaping with an amazing flower garden, a firepit area, and plenty of space for kids and pets to play. With no neighbours behind, you'll enjoy privacy and quiet, plus a double parking pad off the back alley and ample street parking. Recent updates include new flooring throughout, new French doors in living room, updated bathroom, a fully renovated kitchen, a new roof (June 2025), a newer hot water tank (March 2019), and a well-maintained furnace. This home has been loved and meticulously cared for—move-in ready and waiting for you.
