Professional studio space with great curb appeal and in a highly visible location! This former dance studio is located on the busy corner of 50th Street and 50th Avenue. The main floor features 11' ceilings, stylish reception area and 3 studio spaces. 2 of them have floor to ceiling windows that let in tons of natural light! The basement includes a large 4th studio that measures 35'x47'x10'. The basement also includes men's and women's washrooms, a large staff/student lounge with kitchenette, and 2 office/storage rooms. This steel frame and concrete building could also be converted to retail space. A unique feature about this property is that it used to be a bank and still has a vault! Zoned C1- Central Commercial, this property has several permitted uses. Office, childcare facility, health services, religious assembly and retail are just a few of the permitted uses for this property.
