Welcome to 216 Coyote Crescent, a beautifully updated two-storey home in a quiet, family-friendly Timberlea neighbourhood just steps from parks, trails and schools. Thoughtfully modernized and offering exceptional versatility, this property features a self-contained lower-level illegal suite currently operating as a successful Airbnb with a 4.92 rating and 72 reviews, making it an attractive opportunity for homeowners seeking flexibility. The exterior offers great curb appeal with a wide concrete walkway coupled with a low-maintenance backyard designed for easy living. The newly built fence at the back includes a wide gate for RV access, and a large concrete pad spans most of the yard. An extended back deck offers plenty of outdoor living space, finished with a privacy wall and deck lighting to create a cozy atmosphere in the evenings. Two sheds provide excellent storage, one of which is insulated and the soft hot tub is a place you can relax in after a long day. Inside, the main level offers a warm and modern aesthetic with laminate floors and a comfortable living room anchored by a gas fireplace and grey and gold accent wall. The kitchen has been refreshed with painted cabinetry, modern gold hardware, new countertops and a floating island offering additional prep space. A pantry offers practical storage, and brand-new appliances—including the fridge, stove, dishwasher and microwave—all installed in 2025, complete the space. A powder room and main floor laundry add everyday convenience. Upstairs are three generously sized bedrooms, all with laminate flooring. The primary bedroom features a big walk-in closet and direct access to the shared four-piece bathroom, updated with a new vanity in 2021. This level is bright and functional, perfect for families or professionals. The lower level of this home is a standout feature. With its own

separate entrance and wide staircase, the space has been used as a high-performing Airbnb for the last two years. Designed as a self-contained suite, it includes its own laundry, kitchenette and full bathroom. The kitchenette has matching cabinetry, an electric cooktop with proper venting, and small appliances including a fridge, toaster oven and microwave. The full bathroom features in-floor heating, an LED mirror and a clean modern finish. The bedroom is spacious with a large walk-in closet, and additional furnace vents were added for improved heating and cooling. Basement furniture can be negotiated. Additional updates and features include a new hot water tank in 2022, central air conditioning and a fire hydrant conveniently located in the front yard. With modern updates and in move-in-ready condition, this home is an ideal choice for first-time buyers, investors or anyone needing extra space without compromising comfort or location. Schedule your private tour today.
