This is a property you simply have to see to believe — it's almost too much to describe! With over 4,000 sq. ft. of beautifully finished living space, plus a fully equipped in-law suite over the garage and a charming bunkhouse with its own bathroom, fireplace, and furnishings, this home feels like something straight out of "Yellowstone". The craftsmanship, log beams, and rustic design blend seamlessly with the **breathtaking mountain views**, making this one of the most stunning properties in southern Alberta. Inside, every detail has been thoughtfully designed and meticulously maintained. Enjoy a fitness room with quality gym equipment (included), a games room with pool table, and a movie room complete with furnishings and entertainment system — all ready for your family and guests to enjoy. Step outside to your expansive wrap-around deck, crafted from durable composite decking and overlooking the manicured grounds. The outdoor living space is perfect for entertaining, featuring a swim spa, built-in cooktop and grill, and comfortable outdoor furniture — all set against a backdrop of open sky and natural beauty. The property is irrigated and features a pond, with a lake located just in front of the property as part of the neighboring parcel. A brand-new shop with two oversized bay doors and a 4-post lift offers endless possibilities for business, hobby, or storage. Everything here has been exceptionally maintained — from the **roof and siding to the **landscaping and paved driveway. The home is also equipped for peace of mind with a backup generator, available for purchase with the property. This truly is a once-in-a-lifetime opportunity to own a spectacular estate that combines luxury, functionality, and the natural beauty of southern Alberta — all at an incredible price.
