This brand new home has everything you've been looking for! This end unit offers the advantage of a slightly larger lot and only one shared wall. With 3 bedrooms and 2 and a half baths, you have the space you need to live and grow. A spacious open floorpan on the main floor and a second floor with good size bedrooms and upstairs laundry. The builder has taken great care and put so many features in that you don't see in most new build townhouses. Custom built in closets, a nice size deck off the back, and even central A/C for those hot summer days. This home is ready to move in to and enjoy! The basement is roughed in for a 4th bathroom and offers space for an extra family room or another bedroom. It is ready for you to make it your own. Don't qualify to buy right now? Talk to us about our rent-to-own options! Want the basement finished before you move in? The builder has various completion packages that can be added to the purchase!
