Situated in one of Grande Prairie's strongest retail areas, this 3.52-acre Arterial Commercial (CA) site offers exceptional visibility along 100 Avenue and features a 31,549 sq. ft. building (28,800 sq. ft. footprint) built in 2012, supported by approximately 88 parking stalls. Surrounded by national and regional tenants along a major east-west commercial corridor, the property benefits from high daily traffic and steady activity from a regional catchment of roughly 300,000 people extending into northern British Columbia. This is a prime opportunity for high-exposure retail or service-commercial use, with the property also available for lease at \$20 PSF.
