This 1,656 sq. ft., 4-bedroom, 3-bathroom home in Riverwood Estates backs onto a walking path and greenspace with forest views. Originally built as a Ryan Bros. show home, it features Hardie Board siding, hardwood flooring, 9' ceilings throughout (including the finished basement for a total of approximately 2,680 sq. ft. of finished space), and 13'6" vaulted ceilings on the main floor. Large windows provide abundant natural light. The kitchen includes a large island, quartz countertops, white subway tile backsplash, and stainless steel appliances. The living room features a modern gas fireplace. The primary bedroom includes an ensuite and walk-in closet. The finished basement offers an open layout with a wet bar, wine cooler, bedroom, and laundry room. The heated garage includes a natural gas heater, 60-amp subpanel with 220V outlets (permitted), and overhead lighting. An immaculate house in a quiet neighbourhood.
