It's time to live in luxury and space in Coaldale!! This brand new home is designed to give the family all the room they may need without compromising on quality and lifestyle, the brilliantly designed four level side split is a welcome change from the cookie cutter normal. The large flowing open design of the kitchen/Livingroom gives you lots of space and access to the backyard. The top level has two large bedrooms and two bathrooms, all with high end finishes and beautiful tile work, and a full sized laundry room. The Basement has a huge family room with bright large windows a third full bathroom and another bedroom. Plus, there is the bonus of the second basement level, With the opportunity to create a movie theater, games room, or anything else in the large open space. This home is fully custom built and designed with the family in mind, schedule your showing today
