Nice family home on a great quiet street in popular Braeside. The main floor features an older updated kitchen, 4 piece bathroom, three bedrooms with a very generous sized master as well as a very large open dining/living room. The basement is partially finished with a den and the family room has a wood burning fireplace. The area has mature trees, and the back yard has room for a new double car garage. Room for a side drive to garage, plus option for back lane access. Great location here. Close to the new ring road as well as schools, shopping, Southland Leisure Centre, transit, and other amenities.
