Prime Mixed-Use Commercial Unit with High Foot Traffic. Discover this rare and versatile two-level commercial unit, perfectly positioned in a vibrant, high-density area surrounded by residential buildings in Downtown East Village. This property offers incredible street visibility and high foot traffic, making it an ideal location for a wide variety of business ventures. This flexible space is open to many business types, subject to approval from the City of Calgary and the Condominium Board. Property Highlights: - Flexible Two-Level Layout: Use both floors for a comprehensive retail store, professional office, or studio, or explore a live/work configuration. - Main Floor (Work/Retail): A huge, open-concept exhibition space perfect for a showroom, clinic, studio, or retail. This level also includes a convenient washroom and a laundry set. - Upper Floor (Office/Residential): A fully functional suite complete with a full kitchen, a full bathroom, and a separate bedroom. This floor is ideal for private offices, consultation rooms, a staff area, or as a residential component. - High-Exposure Location: Benefit from excellent street view and constant foot traffic from the river, with a built-in customer base from the many surrounding residences. This is an exceptional opportunity to bring your business vision to life in a flexible, high-exposure space. Contact today to schedule a viewing!
