Welcome to this beautifully maintained modified bi-level located on a quiet closed avenue in College Park. Built in 2013 and offering over 1,450 sq. ft., this home features a bright, open-concept design with vaulted ceilings and large windows throughout. The main floor offers a spacious living room highlighted by a stunning stone natural gas fireplace, while the kitchen and dining area overlook the covered deck and landscaped backyard. The front entry is generously sized, creating a welcoming first impression. The second-floor primary suite is filled with natural light and includes a large walk-in closet and a well-appointed ensuite. The fully finished basement offers a great-sized family room with big, bright windows, along with additional bedrooms and bathroom space—perfect for families. A standout feature of this property is the triple attached garage, with one bay transformed into a versatile recreational space ideal for hosting hockey games, gatherings, or a personal retreat. An additional area behind the third bay is wired and ready for a future hot tub. Value-added features include newer appliances, central air conditioning, underground sprinklers, permanent exterior lighting, and a natural gas BBQ hookup. With five bedrooms and three bathrooms, this home provides an exceptional layout and modern comfort throughout. Located in one of Lloydminster's most desirable neighbourhoods, this move-in-ready home is a must-see.
