Click brochure link for more details. Discover 1280 sq. ft. of stylish living in this beautifully finished end-unit townhouse located in Evergreen. The open-concept main floor features a bright kitchen, dining, and living area with a floating island — perfect for entertaining. Enjoy the warmth and durability of wood-grain vinyl plank flooring throughout the main floor and bathrooms. The kitchen is equipped with stainless steel appliances, sleek flat-panel textured melamine cabinets, and elegant quartz countertops with under-mount sinks. Downstairs, the fully finished basement offers a spacious primary bedroom with an attached 4-piece ensuite and walk-in closet. 2 more bedrooms are located at the back of the house with a 4-piece bathroom and conveniently located laundry across the hall. The backyard is fully landscaped with a vinyl fence and a heated single-car garage. Alongside the garage, you will find a dedicated parking stall with power plug-in, plus plenty of additional street parking out front.
