WELCOME TO BASHAW! An adorable character home in one of the best spots in town, just a block from the school and one door off of Main. This lovely little home just got a massive facelift with all new windows, insulation and siding so efficiency is high and bills are low. New paint modernized the interior and the kitchen got new lighting to match. A bright living room with nice vistas of the neighbourhood and a bedroom for somebody who doesn't want to do any stairs. Main floor laundry at the back entrance, a four piece bathroom with walk-in shower and new vanity complete the ground level. Upstairs is another bedroom and a family room/flex space. Out back the yard has been newly fenced and a really cute covered patio was added to make the most of the outdoors no matter the weather. Bashaw is a tremendous small town that offers all the amenities, has a great health centre with a rotating cast of Doctors, and two great golf courses plus the might Buffalo Lake - largest Alberta Lake south of Edmonton. Camrose, Stettler, Lacombe, Ponoka & Wetaskiwin all roughly 30-45 minutes away but mostly just for a change of scenery because Bashaw has everything a person needs. A great home in a great town - this is Alberta, Amen!
