Great Investment opportunity in Edmonton to own a freestanding 44500+ square foot building with a leaseback option. Currently occupied and operated by the owner, Bioneutra. The building is currently setup with four labs, office spaces, warehouse/storage areas and processing/tank areas. Land size is 10738 square meters. Location of the building offers very easy accessibility and access to Whitemud, 23 avenue, Anthony Henday...Multiple entry/exit points from the parking lot enable ease of access for semis as well as space to manoeuvre and access the loading area.
