This home is currently under construction. Photos are for representation purposes only and are not of the actual property. Finishes, features, and specifications may vary. Welcome to this thoughtfully designed home offering over 2,200 sq. ft. of living space, where modern finishes and functional design come together seamlessly. Featuring 3 bedrooms and 2.5 bathrooms across the main and upper levels, this residence is ideal for families seeking comfort, space, and flexibility. The main floor is bright and inviting, enhanced by an ample lighting package that highlights the home's clean lines and contemporary style. A striking MDF feature wall adds a designer touch, creating a standout focal point within the living space. The side entrance provides added convenience and future potential for customization. Upstairs, a spacious bonus room with a tray ceiling offers the perfect setting for movie nights, a family lounge, or a home office. The bedroom layout is thoughtfully planned to provide privacy while maintaining a smooth flow for everyday living. Designed with attention to detail and modern functionality, this home delivers space, style, and versatility—perfectly suited for today's lifestyle.
