BRAND NEW TOWNHOME PROJECT COMING TO GLENDALE! STILL TIME TO CUSTOMIZE! Presenting a brand new 4-unit townhome project in the established Glendale community, offering a rare opportunity to enjoy luxury living without sacrificing space or comfort. Each unit boasts more than 1,600 sq. ft. of thoughtfully designed above-grade space, and a fully developed 1-bed LEGAL BASEMENT SUITE with its own separate entrance. This is a perfect opportunity for long-term rental income (a great mortgage helper!) or easy multigenerational living. Built by the renowned ZENITH GROUP and set for completion in 2026, this extra-wide townhome features high-end finishes, a striking exterior, and a prime SW location close to parks, schools, shopping, and transit. Step inside to soaring 9-ft ceilings, oversized windows, and luxury vinyl plank flooring that fills the main floor with light. A welcoming foyer with a closet leads to an open living room anchored by a sleek gas fireplace and a large picture window overlooking the street. The central kitchen blends style and practicality with quartz countertops, an oversized single-basin sink, stainless steel appliances, including a gas stove, a spacious island with bar seating, and high-end built-in cabinetry with a coffee bar. A dining area overlooks the private, fully fenced backyard, complemented by a rear mudroom and discreet powder room. Upstairs features a bright dual-primary layout with 9-ft ceilings, each bedroom offering a massive closet and ensuite with quartz counters, dual sinks, tiled floors, and a fully tiled stand-up shower with modern matte-black fixtures. A dedicated laundry closet adds convenience. The basement suite includes a private entrance, 8.6-ft ceilings, a sunken 140 sq. ft. patio, a spacious living area, a full kitchen, a 4-piece bath, in-suite laundry, and a large bedroom. The home also

includes a single detached garage, a private, fully fenced concrete patio, and additional bike storage lockers. Set in Glendale, a family-friendly neighbourhood with tree-lined streets, excellent schools, parks, and quick access to downtown, this home combines suburban comfort with urban convenience. *Interior photos are sample images taken from past projects.
