1,000 sq ft retail bay located in the growing Homestead community of Calgary. This well-positioned commercial unit offers great street-level frontage, easy customer parking, and strong visibility within a rapidly developing residential area. Zoned for commercial use, the bay is suitable for a wide range of businesses including retail, service, office, or boutique operations. With 1,000 sq ft of efficient, functional space, it provides a manageable footprint while still benefiting from nearby traffic and community growth. A rare opportunity to own a retail bay in one of Calgary's newest and fastest-expanding neighbourhoods.
