Welcome to this exceptional custom-built 2485 square foot Bungalow, perfectly positioned in a quiet cul-de-sac with breathtaking coulee views and a fully developed walk out basement. Thoughtfully designed with both luxury and functionality in mind, this home offers 4 spacious bedrooms plus a private office, main floor laundry room, an exercise room, and four beautifully appointed bathrooms, including a stunning five-piece en-suite retreat. The open concept main living area is ideal for everyday living and entertaining, while the lower level features a dedicated recreational space perfectly suited for the pool table or quilting table and a separate wet bar for hosting the guests. Triple pane windows, and radiant heat throughout the house and garage ensures year round comfort, complemented by a smart home security system for peace of mind. Car enthusiasts will appreciate the triple attached garage designed to accommodate a vehicle lift, while outdoor living is elevated with a professionally landscaped yard (has it's own running stream) two decks to enjoy the views from, and a private hot tub - perfect for relaxing while taking in the serene surroundings. There is a designated wine room, a water feature wall that runs from upstairs to down, beautiful staircase, and tons of storage throughout the home and garage. A rare combination of craftsmanship, location and lifestyle, this remarkable home offers refined living in one of the areas most sought-after settings.
