Ideally located across from parks and schools and just minutes from shopping, walking trails, and everyday amenities, this well-rounded home checks all the boxes for family living. The main level offers a comfortable living room area and a charming country-style kitchen, creating a welcoming space for daily life and gatherings. With four bedrooms total, there's flexibility for growing families, home offices, or guest rooms. The fully developed basement expands the living space with a large recreation room and a full bathroom, perfect for movie nights, a play area, or entertaining. Outside, enjoy a large, fully fenced backyard — ideal for kids and pets — with the added convenience of back alley access. Whether you're relaxing outdoors or looking for room to play, this yard delivers. A great opportunity in a family-oriented neighborhood close to everything you need. This property is ideal for first time home buyers or investors looking to expand their portfolios. Call for your personal tour
