Welcome to 23 Maciver Street: a charming move in ready bungalow on a generous lot offering a long list of updates, excellent parking, and exceptional value. With a new furnace and hot water tank installed in 2020 and shingles replaced in 2016, this home presents a wonderful opportunity for anyone looking to enter the housing market with confidence. The white vinyl exterior creates attractive curb appeal, complemented by a long driveway that provides parking for up to four vehicles. The fully fenced backyard offers an abundance of space to enjoy the warmer months and features a large storage shed, a spacious deck, and plenty of room to create your own outdoor retreat or even add a future garage while still maintaining a usable yard. Inside, neutral grey tones provide a timeless and cohesive backdrop that suits any style. The traditional floor plan begins with a bright front living room filled with natural light, followed by a dining area that connects seamlessly to the kitchen. The kitchen is well equipped with wood cabinetry, tile flooring, and a pantry for added storage. The main level hosts three comfortable bedrooms, all finished in the same calming colour palette for a consistent and welcoming feel, along with a bright four piece bathroom. Downstairs, the fully developed lower level adds two additional bedrooms, making this a five bedroom home. You will also find a large carpeted family room, new flooring, fresh paint, updated baseboards, a three piece bathroom, and a dedicated laundry area within the utility room.
