A turnkey tire and wheel service business is available for acquisition in Calgary! This established operation is situated within a well-positioned industrial location and operates from a fully built-out shop designed for efficient automotive service. The business is offered as an ongoing operation, including existing improvements, equipment, and trade name, allowing a buyer to step into a functioning auto service setup without the need for initial build-out. The location also offers ample parking, easy loading/unloading, and excellent visibility. This opportunity is well suited for an owner-operator or an automotive group seeking to expand its footprint!
