The white modern kitchen is both functional and stylish with granite countertops, a chimney-style hood fan, stainless steel appliances, frosted glass cabinetry, a large peninsula and an exceptional walk-through pantry with full height built-in cabinets complemented by the main floor laundry/mud room with an additional coat/broom closet. A stunning three-sided gas fireplace anchors the living and dining areas overlooking the ravine. The main floor den/office and a powder room complete this level. Upstairs you'll find vaulted ceilings in the bonus room and primary bedroom, a main bathroom with double sinks, linen closet, and a private primary retreat featuring upgraded sinks and a walk-in shower with built-in seat. 2 more bedrooms are on this level with the second bedroom that features a convenient desk or luggage area. The unspoiled walkout basement is ready for your own custom development. Recent updates include new siding, roof, eavestroughs, downspouts, along with a new hot water tank in 2025.
