A PRIVATE ENTRY creates a sense of independence and leads into a thoughtfully designed below grade main floor layout that lives comfortably and efficiently. The kitchen was UPDATED IN 2011 and features UNDERCABINET LIGHTING and a CENTER ISLAND that supports everyday meals, casual seating, and additional prep space. Adjacent living and dining areas feel open and welcoming, with the living room anchored by a CORNER GAS FIREPLACE that adds warmth and a cozy focal point for evenings at home. The shared landscaped backyard offers additional green space without the responsibility of private yard maintenance. Practical upgrades include a HOT WATER TANK replaced

in 2020, a RECENTLY SERVICED FURNACE, and a FLAT ROOF maintained in 2025, providing confidence in the home's ongoing care. An ASSIGNED OUTDOOR SURFACE PARKING STALL adds everyday ease, completing a well-rounded offering that balances affordability, location, and functional living in one of Calgary's most desirable inner-city neighborhoods.
