This fully developed 4-level split home in Oriole Park offers enough space for a large family with two separate living areas, each with its own kitchen. This property is ideal for a family home or renting and is located on a corner lot with ample parking. Entering through the front door, you'll find a bright, spacious living room, and adjacent to it, a kitchen for the main living area. With a few stairs to the upper level, there is a primary bedroom with a 3-piece ensuite, two additional bedrooms and a 4-piece bathroom. This self contained area can also be accessed through a side door to the east. The hallway leads you to the separate kitchen and dining area. A few steps down to the illegal suite on the lower level has 2 more bedrooms, a 3-piece bathroom and utility room for laundry. Then comes the basement level with its own living room, 1 bedroom and full bath. The fully fenced yard and green areas around the house completed the look.
