This beautifully designed 2017 built home offers an exceptional blend of modern style, comfort, and functionality, making it an ideal choice for families or anyone seeking a refined living experience. Featuring four nice sized bedrooms, this home provides lots of space for rest, work, and relaxation, with lush carpet on the stairs and the upper-level which adds warmth and comfort throughout. The open dining, kitchen and living room area is the heart of the home, thoughtfully designed for both everyday living and entertaining, and showcases elegant quartz countertops, beautiful tile work, two tone cabinetry, and modern lighting that elevate the space with a clean, contemporary look. The modern design continues throughout the home, highlighted by in-floor heating that ensures year-round comfort, as well as central air conditioning for warm summer days. A spacious mud room adds practicality and organization, seamlessly connecting the home to the double attached heated garage—perfect for Canadian winters and additional storage needs. Upstairs, the primary bedroom is a true retreat, complete with a stunning ensuite featuring a gorgeous double vanity, sleek glass shower, and high-end finishes that create a spa-like atmosphere. The remaining bedrooms are equally well-sized, offering flexibility for growing families, guests, or home office spaces. Outside, the large yard provides endless possibilities for outdoor enjoyment, whether you envision gardening, play areas, or hosting gatherings with friends and family. Every detail of this home has been carefully considered, from the modern lighting and stylish finishes to the thoughtful layout that balances openness with comfort. With its combination of contemporary features, quality craftsmanship, and inviting spaces both inside and out, this property stands out as a move-in-ready home that delivers both beauty and

practicality, offering a lifestyle of comfort, elegance, and convenience for years to come.
