Multifamily Development Land! 4.35 acres (3.91 net developable) zoned R2 (med. density), this is a prime location in the City of Red Deer! The Red Deer market is in need of two things; affordable housing and new rental accommodation, this site can serve one or both of these categories. Well located in S.E. Red Deer in a new growth area that provides all essential services, schools, shopping, trail systems, and the largest recreation center in Red Deer. This is an area where people prefer to live.
