Welcome to your new multi-generational family home that's a 4 MIN WALK TO RAVINE PATHS/PLAYGROUND, on a QUIET STREET, ready your growing family! This ORIGINAL OWNER home is in IMMACULATE CONDITION and really highlights the pride of ownership. You'll love pulling up to the stucco exterior - not only does it look great, but its durability offers incredible peace of mind through every season! You're entertaining guests tonight, so the extra 2 parking on the driveway (4 total including garage) and extra street parking on your CORNER LOT ensures your guests all get VIP parking. You feel the expansive openness when you step into your VAULTED CEILING entrance that spans the front living room, private dining, and kitchen. You feel lucky that many of the interior updates are already completed that makes this home MOVE-IN-READY: Carpets, interior paint, new baseboards (2017), and a newer HIGH EFFICIENCY FURNACE (2019). Putting the groceries away from your trip to Superstore (4 mins) and takeout from several restaurants (4 mins), you see that your partner already has the BBQ on the COMPOSITE DECK (also low maintenance and durable), and since you are both busy professionals, you are grateful for LOWER MAINTENANCE YARD. Going upstairs to put your stuff down, you enter your primary suite w/ FULL ENSUITE which is more rare in this era of home. Two more larger bedrooms & full bath finish the top level, which continues to be great for your larger family. The first guests arrive and you invite them down to the third level living room to hang out and catch up since they are from out of town. You show them their guest bedroom and their own full bathroom so they can keep comfortable. Another out of town guest is arriving soon, and you will show them down the basement 4th level, where they have their own

rec room space, bedroom, their own full bathroom, WET BAR, and private WALKOUT ENTRANCE to the backyard! You have the option to convert it to a legal basement for revenue while it sits empty. Based on this great layout, each family won't need to share bathrooms! As your family grows in this home for the long-term, you feel comforted that K-12 schools (2-8 mins) and even UNIVERSITY OF CALGARY (10 mins) are all so convenient. You're going to suggest a nice stroll on this hot summer evening after dinner at NOSE HILL PARK (4 mins) where you and your guests can enjoy the beautiful sunset, while children and pets can get the last bit of energy spent. On Monday, you can sleep in a bit more, since your commute is quite simple to DOWNTOWN (19 mins) or anywhere else you need to go with easy access to Crowchild Tr, Shaganappi Tr, and John Laurier Blvd. Make this dream your reality today, come see this home that's ready for you!
