--------------------	----

This beautifully updated single-family home offers 1,500 sq ft of developed living space and is located in a well-established NW community. The kitchen has been updated with modern appliances and freshly painted. The main level also features a dining nook and a cozy living room with a wood-burning fireplace. Upstairs, two bedrooms and two full bathrooms have updated window trim, ceiling lights, and fresh paint. The third level offers a spacious family room and third bedroom with flexible use options, also plus a convenient half bathroom. Step outside from the family room to enjoy a private west-facing backyard—perfect for summer BBQs. Additional updates include knockdown ceilings replacing the old popcorn style, a furnace updated in 2018, and a hot water tank replaced in 2024. The basement is unfinished and located next to the attached single garage, with a separate door providing direct outdoor access. Close to Nose Hill Park, schools, and shopping, this home offers excellent value for homeowners!
